### TECHNICAL SKILLS

- Java/SpringBoot
- Hibernate(JPA)
- MySQL, Oracle
- HTML, CSS, JavaScript
- Version Control: Git
- Microsoft Word, PowerPoint, Excel
- And Eager to learn more.

### SOFT SKILLS

- Leadership
- Problem Solving & Adaptability
- Effective Communication
- Critical Thinking

### LANGUAGES

- English (Fluent)
- Nepali (Fluent)
- Hindi (Intermediate)

### PROFILE

I am a dedicated Bachelor of Information Technology (BIT) student with a strong passion for Java development. With solid problem-solving skills and a constant drive to learn emerging technologies, I enjoy tackling challenges and refining my skills to stay current in the ever-evolving field of software development. I am eager to apply my technical knowledge in a practical setting and contribute to impactful projects through an internship opportunity.

### EDUCATION HISTORY

#### **Informatics College Pokhara, Pokhara, Nepal**

Bachelor of Information Technology (BIT) | 2023 - Present  
*2nd Year*

#### **Prativa Secondary School, Pokhara, Nepal**

Computer Science | 2021 - 2023  
GPA: 3.33

### PERSONAL PROJECTS

1. Bank Management System
  - A console-based banking system built using Java, MySQL, and Hibernate (ORM).
2. Bank Management System (Currently working)
  - Web based interface developed with Spring Boot, MySQL, and React
  - Implements RESTful APIs for seamless interaction between frontend and backend.
  - Follows the MVC architecture for a structured and maintainable codebase.
  - Includes multiple authentication systems for secure user login and access control.
  - Ensures data security through encryption, password hashing, and role-based access control to protect sensitive user information and prevent unauthorized access.
